Case No. AP-2005-24

This matter is before the Commission on applicant's failure to file proof of trade name registration as required by the initial order in this proceeding, Order No. 8630, served April 4, 2005.

Because the application indicated that applicant's principal place of business was in Maryland, Order No. 8630 directed applicant to register his trade name with the Maryland State Department of Assessments and Taxation and file proof of registration with this Commission. Applicant has yet to file such proof and in the meantime has notified the Commission that his principal place of business is now in the District of Columbia. Accordingly, applicant will be directed to file proof of trade name registration with the District of Columbia Department of Consumer and Regulatory Affairs.¹

THEREFORE, IT IS ORDERED that applicant shall file with the Commission, no later than May 25, 2005, proof of trade name registration with the District of Columbia Department of Consumer and Regulatory Affairs.
